Retransmitted with compliments:-

The Cattle fairs of Shimoga District held annually in connection with Jatras owe their popularity and success to the trade in Cattle mostly with the British Indian Provinces of Madras and Bombay. For this reason the fairs at Thogarsi in Shikarpur Taluk and Rampur in Honnali Taluk, attract a large gathering of very good cattle mostly from Hassan and Mandya Districts, where the best types of animals are bred. These places being almost on the borders of British India offer excellent scope for cattle trade, and for this reason the villages round about abound in professional cattle dealers. Even if the restrictions for smuggling of cattle across the borders may be tightened up at the time of the fair, it is very easy for the interested cattle buyers from outside - and there are many of them only too anxious to avail of such an opportunity - to enter into easily workable arrangements with the local people on this side of the border, to buy cattle for them and pass them on when convenient. Under these circumstances, I consider that it is very necessary not to permit the holding of Thogarsi and Rampur Cattle fairs this year. I have no objection to the Kudli and Anandapuram fairs being held.

Subject:- Cattle fairs.

I have the honour to state that the Superintendent of Veterinary Services in Mysore, Bangalore, has intimated in his letter No. V.A.T. 30/45-46, dated 27th October 1945, that a dozen Cattle Fairs have been recommended to Government for being held during the current year. It is seen from the list, that no Cattle Fair is recommended to be held in this District. The subject was placed before the Board at their meeting held on 29th and 30th October 1945, and is resolved that the holding of Cattle Fairs at the marginally noted places may be recommended to Government in this District, during the current year for conducting these Cattle Fairs, in view of the fact, that there have been no Cattle diseases prevailing in this District at present and the people of this District mainly depend for cattle from outside. Holding of Cattle Fairs may also prevent smuggling of cattle. Cattle Fairs have not been held in this District from some years and it will be quite convenient to have this year, especially so as there no Cattle diseases in this District. There has been depletion of Cattle stock in this District and it is necessary to increase the cattle and also to improve the cattle wealth of this District. Hence, I request you to kindly give your sanction to the resolution of the Board to conduct cattle fairs at these four places during the current year.

Sir,

I have the honour to invite your reference to this office letter of even No. dated 30-11-1945 re: the holding of Cattle Fairs during the current year and to state that it is ascertained from local enquiry that the value of Cattle has been reduced considerably ~~been reduced~~ and the necessity of transporting cattle from Mysore to British territory has ceased on account of the failure of crops outside the State. The price of cattle outside the State is less than the price prevailing in Shimoga District. A number of - cattle are being brought to this District from Chitaldrug District on account of scarcity of fodder etc. It will be very convenient if the annual Jatras are held as usual. Now the riyats are going to cattle fairs held in other Districts and this will cause them unnecessary hardship and extra expense. In view of these circumstances, I request you to kindly obtain and communicate the - orders of Government for holding the Jatras as ususal at an early date as the dates for holding the Jatras are fast approaching.

I have the honour to be,
Sir,
Your most obedient servant,

H S Rudrappa

Indian territory and as such, the holding of cattle fairs at the above places would result in a depletion of the cattle wealth of the State. The request to hold the cattle fairs at Thogarse and Rampur cannot therefore, be conceded.

I am to add that the Govt. have no objection to the holding of the cattle fairs at Kudli, Shimoga Taluk and Anandapuram, Sagar Taluk.
